

Volunteer Screening Policy

The Club accepts its responsibility to children, young adults, parents, volunteers and staff involved in its programs and is committed to ensuring a sound, safe, and healthy soccer experience in our community. The Club is preparing its own Screening Policy that once approved by the BoD will be made available to Club members

In summary, due to the positions of trust that are inherent in the provision of active, high quality sport activities, volunteers and employees shall be required to undergo a screening process based on the duties assigned by the Club. This screening process will be comprised of a variety of measures. All volunteers/employees will be required to participate in an orientation that will introduce duty assignments as well as relevant Club policies and expectations. If a Club member believes they have had an experience that contravenes the Club policy, the Club's designated representative should be contacted.
