

TORONTO FC ACADEMY PROGRAM @ NEPEAN HOTSPURS SOCCER CLUB

About the Academy.....

Launched in May 2010, the ***TFC Academy Program @ Nepean Hotspurs Soccer Club*** was founded in the belief that there was a need to provide a program that would, regardless of economic circumstances, or any other factor, provide Eastern Ontario's elite young soccer players with an opportunity to reach their full technical, tactical, mental, and physical potential.

Therefore, the ***TFC Academy Program @ Nepean Hotspurs Soccer Club*** will provide talented, committed and dedicated soccer players from ages 9 to 13 with an opportunity to receive advanced coaching instruction within the ***TFC Academy Program @ Nepean Hotspurs Soccer Club***.

The Academy's goals are simple - to produce stability and continuity in the development of players in Ottawa/Eastern Ontario by establishing a formative and structured path from a young player's first introduction to the "beautiful game" to potentially suiting up with Toronto FC's 1st team.

Interested.....

During the year, a series of identification camps will be held where invited players from Hotspurs teams will be assessed by Toronto FC Academy coaches. Following identification, selected players will train in the ***TFC Academy Program @ Nepean Hotspurs Soccer Club*** with Nepean Hotspurs Club Head Coach Boris Bagajic (CSA National "A" License) and Nepean Hotspurs Technical Staff Coach Duane Barker (CSA National "B" License).

As Academy players grow and mature, their progress and development will be closely monitored and tracked with the ultimate objective of an invitation to join the TFC Academy, and a potential career in professional soccer.

For more information, contact the ***TFC Academy Program @ Nepean Hotspurs Soccer Club*** at info@hotspurs.on.ca , or, 613-723-5762.
